A building permit is required prior to any demolition of a structure. The following are guidelines and comments for obtaining a building permit.

Application and Drawings Procedures:

- ▶ An application is to be filled out and submitted to the Building & Code Enforcement Division. The contractor's names, addresses, phone numbers and, if required, their license numbers are to be filled out when submitting the application.
- ▶ Nine (9) copies of the plat of survey of the site for demolition are to be submitted with the application.
 - The application along with a copy of the survey will be forwarded to the following departments: Building and Code Enforcement, Electric, Water, Sewer, Fire Prevention, Engineering/Public Works, Development Engineering Division, and Water Meter Division (application only) for their review and comments. The building permit will not be issued until all reviews are completed.
- ▶ For commercial or industrial project, an Environment Phase I document is to be submitted.
- ▶ A copy of the contract that provides details on the scope of the work.
- ▶ Provide a copy of Letter of Disconnect of the gas service from NICOR.
- ▶ Our goal is to complete the review of your building permit within 10 working days.

Application – Permit Fees: All fees are to be paid in the form of check, cash or money order.

- Residential: **\$330.00** – due at time of submittal.
- Non-Residential: **\$450.00** – due at time of submittal
- All partial demolitions that do not include disconnect of any utility service
