**City of St. Charles Seeks Developers for Final Buildings of the First Street Redevelopment Project**  
*Request for Proposals Issued*

**ST. CHARLES, Ill.** (April 17, 2018) – The City of St. Charles is seeking developers to complete the remaining three buildings in the First Street Redevelopment Project. The buildings offer an exciting opportunity to complete a vibrant, mixed-use environment along the south First Street corridor in the heart of downtown St. Charles.

There are three remaining buildings in the project— 6, 7B and 8—located south and west of the corner of First and Illinois streets. Construction of these buildings is anticipated to begin in 2019 and will finish out the project.

The remaining three buildings are envisioned as mixed use with ground floor commercial. Potential upper level uses could include office and/or residential space. The city is seeking creative proposals that will provide a balance of uses among these buildings.

First Street is a multi-phase project that began in 2007. The first two phases of the project are complete. Phase III, which includes construction along the riverfront between Main and Illinois streets, currently is underway. The first three buildings of this phase are in various stages of completion and are mostly occupied.

“The First Street project has seen increased momentum in recent years, as the vision set forth comes to fruition,” said Community and Economic Development Director Rita Tungare. “The live-work-play concept, in a vibrant pedestrian environment, continues to be in demand in the Fox Valley and the Chicago region. St. Charles’ strong local economy, high quality of life and business-friendly policies continue to draw interest.”

St. Charles Mayor Raymond P. Rogina welcomes the energy the First Street Development has fostered. “Downtown St. Charles has become an increasingly desirable neighborhood for residents.” said Mayor Rogina. “There are services like the Blue Goose Market and a plethora of restaurants and cafés right at your doorstep. Community activities in the First Street Plaza are a big draw, and the planned bi-level riverwalk and a second plaza will add to that. New residents will bring even more activity to the downtown area and enhance the business environment.”

A Request for Proposals has been posted to the City of St. Charles website, at [www.stcharlesil.gov/projects/First-Street-RFP](http://www.stcharlesil.gov/projects/First-Street-RFP). Inquiries can be directed to Rita Tungare, Director of Community and Economic Development, at (630) 377-4443 or [rtungare@stcharlesil.gov](mailto:rtungare@stcharlesil.gov). Proposals will be accepted through July 13, 2018.

### Lots for Buildings 6, 7B, 8

#### ***About the City of St. Charles***

City of St. Charles Mission: *Heritage. Community. Service. Opportunity.* Friendly neighborhoods, unique architecture, beautiful parks, cultural amenities and innovative schools have earned St. Charles its reputation as the Pride of the Fox. Located in both DuPage and Kane counties, the City of St. Charles is 35 miles west of downtown Chicago, and has a population of approximately 33,000. Nearly 2000 businesses, consisting of a balanced mix of retailers, restaurants and manufacturing facilities, employ more than 20,000 people. The City of St. Charles was named the #1 City for Families by *Family Circle*® magazine in 2011; one of the “150 Great Places in Illinois,” by the AIA Illinois; and one of the “Top 10 Towns To Live In” by *West Suburban Living* magazine.
